MOSAIC™ Flexible Light

LED
CREATING TOMORROW

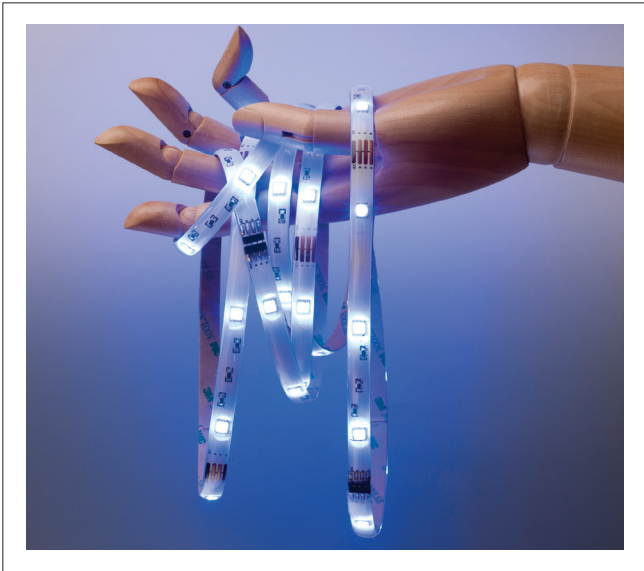

Fun, flexible, and versatile, the MOSAIC Flexible Light is limited only by what you can imagine. Its adhesive back and flexible body allows it to attach itself to any clean and dry surface—no matter how odd its shape. And with its connectors, the MOSAIC Flexible Light is able to make sharp turns around corners.

Kits can come with up to five 2-foot flexible LED light strips, connectors and a remote control, allowing the user to create a unique ambience in any room.

Color changing: Flash, strobe, fade or smooth transitioning of light.

Key Features & Benefits

- Conforms to the contour and shape of nearly any object
- Set to any one of 15 colors, plus white, or one of pre-set color changing patterns using the remote control
- Kits come with up to five 2-foot long strips and can be extendable up to 40 strips

- Able to cut strips to size at clearly indicated 6" intervals marked with scissor icon
- Adhesive backing allows mounting onto any clean surface*
- Connectors allow 90° turns around corners
- Strips can be controlled by the same remote

*Adhesive backing is not repositionable.

c(UL)us LISTED   ✓RoHS compliant   This light source meets restricti on hazardous substances.   LEAD-FREE   (Hg)
