Responsible. Green. Recycling.™

Recycle responsibly, help the environment and save money. Many lamps conserve energy but contain small amounts of mercury. Managing and disposing lamps in accordance with hazardous waste regulations, prevents you and your business from liabilities and fines.

All Shipping & Recycling Fees Included!

Simple Steps to begin Recycling

1. Order your Stage & Studio **BakPak™** kit today from **Techni-Lux**.
2. Seal the bottom of the box closed. Put the InnerPak liner into the box. Adhere the red return shipping label on the outside of the box and fill out the Accumulation Start Date.
3. Fill completely with **unbroken mixed used lamps**. Once filled, close and secure then seal the top of the box.
4. Call **1-800-GoFedEx®**, 888-777-6040 or give package to your normal **FedEx® Ground Service** for pick-up.
5. **Certificate of Recycling**  Once BakPak™ is received, your mixed lamp waste gets recycled and you will be issued a Certificate of Recycling.
